15-20 Homes. One Saturday. One Street.

#GreenNFit is Revitalize CDC's single-day neighborhood rebuild. Volunteer crews fan out across Tyler Street to make free critical repairs, accessibility modifications and energy-efficiency upgrades for low-income families with children, older adults, military veterans and people with special needs.

No experience needed. Skilled trades will have their own work, and there is a job for every ability whether it is painting, yard work, porch repair, hauling, or hospitality.

15–20 home sites · hundreds of volunteers
· one neighborhood transformed in a day.

8:00 am

Check in, coffee & light refreshments, crew assignments and morning welcome.

9:00 am

Crews head to their assigned home sites and get to work and group photos begin.

12:00 pm

A light lunch on the street with neighbors and homeowners.

2:00 pm

Final cleanup of your site. Tools & supplies returned and a block that looks different.
